CHANGES TO SCHOOL BUS SERVICES IN 2020

Following consultation, including an earlier letter you should have received about proposed changes to the Preservation Bay to Penguin via Heybridge school bus services, The Department of State Growth has decided to go ahead with the proposed changes.

Please note that based on feedback received we have added a stop at the Howth roundabout on the second trip in the morning (and the first trip in the afternoon). Attached to this letter are both the morning and afternoon timetables for these new bus services.

This change will occur at the start of the next school year (2020).

If this is the first time you have heard of these changes, or they cause you concern, and you want to discuss them, please feel free to contact me by phone on 6166 3211 or via email at jo.martin@stategrowth.tas.gov.au.

If you just want to confirm any timetable or stop information, please contact the bus operator, Russell Kerger on 6437 2318.

Yours sincerely

Jo Martin
