Monday & Tuesday 9am-4.00pm.

### OLDER SIBLINGS

Please note Centres are special places for children and families 0-5. Unfortunately, older siblings cannot visit the Centre.

**Child Health Nurse** appointments can be made by calling 1300 064 544.

**Outreach available** Can't make it into the centre but would like to be contacted? Please register your interest with one of the team or send a message.

## Programs available

Garden Time:	Parent and child connection time through gardening. Suitable for all ages.
Messy Sensory Play:	For all ages to engage in important messy sensory play.
Layhooner Play:	Join Hellen to explore Aboriginal and Torres Strait Islander culture together. All welcome.
Blue Gum Newborns:	Come along to learn about the first 1000 days and meet other new parents. For newborns to 8 months and their grown up.
Toddler Time:	A more informal chance to meet other toddler parents and to play together. It is suitable for children around 8 months to 2 years.
Being A Parent	A program aims to help parents develop positive communication and parenting skills, emotional literacy, and a tool kit for action.
Shark Cage	This program is designed to empower and heal women who have experienced abuse in their relationships.
Bringing Up Great Kids	BUGK uses mindfulness and reflection to support parents to review and enhance patterns of communication with their children.
Professional Support Services	Our Professional Support Staff have times available for you to meet with them about barriers to learning and school readiness.

## Visiting Services

CHAPS appointments	Make an appointment to talk to a child health nurse about your child's health or development.
Just Healthy Families:	Free women's legal support with the aim of reducing family violence.
Social Worker:	Advice, information & referrals, mental health and well-being promotion, support in groups, community outreach.
School Psychologist:	Screening, referrals, consultation & advice, group sessions and information.
Speech Pathologist:	Screening, helpful recommendations and strategies, useful information and resources, referrals, support in programs.
NESTS Worker:	Learn about the NESTS program.
WNW Working:	Chat to Alyssia about education and employment.
NDIS representative:	Discuss early intervention support with NDIS.
Services Australia:	Chat with a Services Australia team member for help with Centrelink, medicare and child Support payments and services.
