

Did you miss your Year 7 vaccinations?

It's easy and **FREE** to catch up at a local pharmacy or with your GP.

What vaccines are recommended in Year 7?

1. Human papillomavirus (HPV).
2. Diphtheria, tetanus and pertussis (dTpa).

How do I know which vaccines I've had?

1. Check online via the MyGov website or the Medicare mobile app.
2. If you are 14 or older you can access your own record.

Why should I catch up and get vaccinated?

1. Vaccines help prevent serious infections and illnesses, and even some cancers.
2. Getting vaccinated on time provides the best protection.
